¹ The Rank Order Level of Incident Types range from Level I (Most Serious) to Level IV (Least Serious).

General Rule: When an incident includes more than one element, report the one causing the most injury or highest loss of property or monetary costs as an incident and code the other elements as Related Elements, as applicable.

Related Elements that apply to each incident must be reported including hate-related, gang-related, drug-related, alcohol-related, weapon-related, and bullying-related elements.

Note: Complete the weapon description for all weapon-related elements. Every weapon possession incident should be coded as weapon-related.

* These incidents MUST be reported to SESIR and ARE EXPECTED to be reported to LAW ENFORCEMENT. Reported to Law Enforcement means that an official action was taken by a School Resource Officer (SRO) or a local law enforcement officer such as filing a report, assigning a case number, filing an affidavit, conducting an investigation or making an arrest.
