EDUCATION

2018 Ph.D. in Criminology, University of California, Irvine
2013 M.A. in Sociology, University of Texas at El Paso
2011 B.A. in Sociology, University of Seoul

ACADEMIC POSITIONS

2024– Associate Professor, Criminology and Criminal Justice, Florida State University
2018–24 Assistant Professor, Criminology and Criminal Justice, Florida State University
2025– Faculty Affiliate, Spatial Data Science Center, Florida State University
2021– Faculty Affiliate, Real Time Crime Center, Florida State University
2025– Co-Director, Crime Analysis Certificate Program, Florida State University

EDITORIAL APPOINTMENT

2026– Associate Editor, *Journal of Quantitative Criminology*

AREAS OF INTERESTS

Neighborhoods and Crime, Spatial Crime Patterns, Urban Studies, Spatial Modeling, Spatial Econometrics, Quantitative Research Methods, Computational Social Science

REFEREED JOURNAL ARTICLES

*Student co-author †Corresponding

[1] Hipp, John R., **Young-An Kim**, and James C. Wo. "Changing Land Use, Changing Crime? The Role of Neighborhood Disadvantage in Southern California." *Forthcoming* in *Criminology.*

[2] **Kim, Young-An** (2026). "Analyzing the Temporal Exclusivity of Violent and Property Crime: A Circular Statistical Approach Based on Complex Vector Space." *Journal of Quantitative Criminology*, Online First Publication.

FUNDED GRANTS

2025–26 Assessing the Prevalence and Exploring Community-Level Correlates of Fraud and Financial Exploitation of Older Adults. Co-Principal Investigator. Funded by Florida State University ($95,445).

2023–24 An Evaluation of the Capital City Real Time Crime Center. Co-Principal Investigator. Funded by Florida State University ($270,000).

2021–23 Capital Region Real Time Crime Center Evaluation. Co-Principal Investigator. Funded by Florida State University ($227,557).

2021–22 Examining the Impact of Healthcare Access on Health Disparities within a Statewide Prison Cohort. Co-Principal Investigator. Funded by Florida State University ($24,578).

2017 Dean's Dissertation Writing Fellowship. School of Social Ecology, University of California, Irvine ($12,000).

2015–17 Summer Research Grant. Criminology, Law and Society, University of California, Irvine ($6,000).

2013 Newkirk Fellowship. School of Social Ecology, University of California, Irvine ($4,000).

2011–13 Government Scholarship for Overseas Study. Ministry of Education, Republic of Korea ($62,000).

2005 Seoul Mayor's Scholarship. University of Seoul ($1,500).

HONORS AND AWARDS

2021 Urban Science Alumni Award, College of Urban Science, University of Seoul

2016 Outstanding Student Paper Award, Korean Society of Criminology in America

2013 Outstanding Master's Thesis Award, Graduate School, University of Texas at El Paso

2013 Departmental Honor, Department of Sociology, University of Texas at El Paso

RESEARCH EXPERIENCE

2025– Spatial Data Science Center, Florida State University
2021– Capital Region Real Time Crime Center, Florida State University
2013–18 Irvine Lab for the Study of Space and Crime, University of California–Irvine
2015–18 Metropolitan Futures Initiative, University of California–Irvine
2012–13 Computer Science Cyber-Share Lab, University of Texas at El Paso
2012–13 Lab for Environmental Justice, University of Texas at El Paso
2010–11 Social Science Survey Lab, University of Seoul

TEACHING EXPERIENCE

Florida State University, *Instructor*

- Graduate Courses
  - Spatial Crime Patterns
- Undergraduate Courses
  - Crime Hotspots
  - Crime Mapping
  - Criminology
  - GIS Application in Criminology
  - Individual and Society
  - Introduction to Crime Analysis
  - Statistics in Criminology

University of California–Irvine, *Teaching Assistant*

- Undergraduate Courses
  - Community Context of Crime
  - Crime Measurement
  - Crime Hotspots
  - Introduction to Criminology, Law and Society

INVITED TALKS

2026 *Analyzing the Temporal Exclusivity of Crime: A Circular Statistical Approach Based on Complex Vector Space*. Department of Geography, Florida State University, Tallahassee, Florida.

2026 *Advanced Spatial Analytics in Criminology: Bridging Social Ecology and Micro-Geographic Dynamics*. The University of Tokyo, Tokyo, Japan.

2026 *Analyzing the Temporal Exclusivity of Crime: A Circular Statistical Approach Based on Complex Vector Space*. Department of Criminal Justice, The University of Texas at El Paso, El Paso, Texas.

2025 *Science, Technology, and Policy in Criminal Justice*. Underwood International College, Yonsei University, Seoul, South Korea.

2023 *Geographic Information Systems (GIS) in Criminology*. Graduate-Faculty Workshop Series, College of Criminology & Criminal Justice Florida State University, Tallahassee, Florida.

2022 *Density, Diversity, and Design: Three Measures of the Built Environment*. Department of Criminology, Indiana University of Pennsylvania, Indiana, Pennsylvania.

2021 *Immigrant Ethnic Activity Space and Neighborhood Crime*. Department of Sociology, Korea University, Seoul, South Korea.

2020 *Geographic Information Systems (GIS) in Criminology*. Graduate-Faculty Workshop Series, Florida State University, Tallahassee, Florida.

2017 *Activity Nodes, Pathways, and Edges*. Presentations at:

- School of Criminal Justice, University at Albany–State University of New York
- Department of Criminal Justice and Criminology, Sam Houston State University
- College of Criminology and Criminal Justice, Florida State University
- School of Criminal Justice, Rutgers University–Newark
- Department of Sociology, Rice University

2016 *Environmental and Situational Theories*. Department of Criminology, Law and Society, University of California–Irvine, Irvine, California.
