

APPENDIX

Doctoral Dissertation Committee

The major professor and supervisory committee must be members of the graduate faculty with doctoral directive status. Their appointment must be approved by the dean. The committee shall consist of a minimum of three members of the graduate faculty; one of who must be a representative-at-large of the graduate faculty drawn from outside the student's department.

Please return the signed, completed form to the Criminology and Criminal Justice Graduate Office. If there is a committee member change, a new form must be resubmitted with the dean's approval.
